Full Service Video Wall Mount with Quick Release

FOR 65" TO 98" DISPLAYS

The SmartMount[®] Full Service Video Wall Mount with Quick Release offers an easy to install and service solution for both landscape and portrait displays. Designed for quick service access in recessed video wall applications, the DS-VW795-QR provides versatility for integrators. With the quick-release functionality, users have the ability to articulate the display from the wall by gently pressing on the front of the display. Featuring tool-less micro-adjustment at eight points, the mounts can overcome uneven walls to create a seamless video wall display. In addition, custom wall plate spacers eliminate the guesswork and on-site calculations, reducing installation time and cost.

- Quick release can be disabled with a locking screw to prevent unintentional pop outs
- Accommodates displays in landscape and portrait orientation
- Modular mount for unlimited video wall display configurations
- Integrated cable management tie-backs make display-to-display cabling simple

REUSABLE CUSTOM WALL SPACERS*

Eliminate guesswork and on-site installation calculations

*Sold separately

NO TOOLS REQUIRED FOR MICRO-ADJUSTMENT

Simple, tool-less micro-adjustments at 8 points seamlessly align the displays

QUICK RELEASE MECHANISM

Provides convenient display access in recessed applications

ADJUSTABLE CARRIAGE EXTENSION FORCE

Adjustable to the weight of the display, allowing the quick release mechanism to activate with gentle force

Full Service Access
