

Totem serie **Window**

Window series totems

 **DESIGN MADE IN ITALY**

Solidi, eleganti e per essere posizionati in vetrina, queste le principali caratteristiche dei totem Window (disponibili anche per la versione indoor). Contraddistinti da una struttura metallica e dotati di monitor Samsung SMART Signage da vetrina professionali, sono prodotti dal design elegante ed estremamente compatto che li rende perfetti per qualsiasi tipologia di location: dai punti vendita ai ristoranti, dagli showroom e, in generale, in tutti gli ambienti in cui si vuole comunicare con efficacia messaggi che restino impressi nella memoria. Questi totem, inoltre, sono forniti di base autoportante e predisposti al tassellamento a terra (con o senza base). Sono pronti all'uso e facili da gestire grazie al software di Digital Signage "MagicInfo" che permette di gestire i contenuti direttamente dal vostro computer di uno o più totem multimediali contemporaneamente.

Solid, stylish and positionable in a showcase, these are the main features of Window totems. Characterized by a metal structure and provided with professional Samsung SMART Signage window monitor, these products have a stylish and extremely compact design, which makes them perfect for any location: from retail outlets to restaurants, from showrooms and in general for all environments where you want to communicate effectively messages that remain etched in your memory. Furthermore, these totems are also supplied with a self-supporting base and are designed for the floor fixing (with or without a base). They are ready to use and easy to manage thanks to the Digital Signage "MagicInfo" software that allows you to manage the contents directly from your computer of one or more multimedia totems at the same time.
